 - b. **Fall Baseball**- There will be 3 teams playing, maroon, gray and freshman. Maroon will practice on T & Th with games on Sat. Gray and freshman will practice on M & Wed with games on Sat or Sun. The league they are in will end before Thanksgiving. Maroon has games scheduled through Dec, and more games may be added. If the boys have any questions they can talk to the coaches. If the parents have any questions, they can e-mail them to Sid and he will forward them to Coach Jackson. After the final cuts have been made there will be a meeting with all the parents. Academically all players must keep a minimum GPA of 2.0, and it must be maintained in the fall. If GPA goes below 2.0 players may not come to practice. Grade checks will go out Nov. 16th. Coach Jackson also encourages everyone to read the drug & alcohol rules, the consequences will be the same as the CHS consequences, and the player probably will not play when he returns to the team. If any player is playing another sport, they must get the approval to play baseball from them to avoid any conflicts. Players are allowed to play travel ball, but remember CHS coaches need to evaluate all players. Final cuts will be made the week of Feb. 15th, and at that time players from other sports will have a 3 day tryout. Workout attire should be shorts, cleats, hat and caps. If there are any changes in the schedule the Coach will inform the boys. This seasons schedule will be available the 1st of the year. Alumni game/Opening Day will be Feb. 20th. Weekend rosters will be posted on Tues. or Wed., please let the coaches know ASAP if your son is not available to play the day he is scheduled.
