

Claremont High School Baseball Uniform Guidelines – Updated 2010

Every player will be issued a uniform set consisting of:

1. White home vest jersey
2. Gray road jersey
3. White pants with maroon piping
4. Gray pants with maroon piping
5. Maroon alternate jersey-if one wasn't purchased (varsity and JV only)

All players or their parents must sign for their uniforms. Uniforms will not be issued unless it has been signed for. Players or parents signing for uniforms assume full responsibility if a uniform is damaged or not returned at the end of the season.

Every player is responsible for his jerseys and pants. The pants will be numbered. At the end of the season, each player must turn in the uniform and pants he was issued. Uniforms should be returned clean and in the best condition possible. There will be a \$10 cleaning fee for every uniform piece that must be cleaned. Please **do not bleach** uniforms. Please try to remove stains or spots.

We understand uniforms may be worn, torn and/or stained, but players are responsible for maintaining uniforms in the best condition possible throughout the season. Players will be charged full replacement costs (see below) for damaged uniforms beyond normal wear and tear, such as elastic removed from pants (or added), holes at the bottom of pants from wearing them over cleats, scissors/knife cuts, bleach discolorations, spots, stains or other damage from improper wear or care. No matter their condition, **all uniforms MUST be returned.**

If a player does not return his uniform by the deadline set by each team, your family will be billed. The bill will be given to the ASB office, and your son will be placed on the delinquency list. Students on the delinquency must pay all fines prior to participating in activities at CHS. Students on the list are not able to participate in any ASB activity or attend events such as the prom until the bill is paid. Seniors will not be eligible to walk at graduation until the bill is paid. Players with unreturned uniforms or outstanding bills will not be able to attend the baseball awards banquet.

Replacement prices:

- | | |
|---|------|
| 1. White home vest jersey | \$75 |
| 2. Gray road jersey | \$75 |
